## **Opening**

On a cool evening on the 15<sup>th</sup> day of the month of the Little Bud Moon, the Flying Angels gathered at the teepee of Gray Wolf and Little Cub.

The meeting began when Little Cub pounded out 12 beats on the tribal tom-tom. The tribe then formed the unbroken circle and chanted the aims, the pledge, and our slogan.

## **Names and Wampum**

Then the princesses introduced themselves and their big braves. Each princess also announced her good deeds that earned wampum for the tribe. Purring Cat handed out attendance beads to all of the tribe that was present.

## **Feather Earning:**

The talking stick was then passed among the tribe to find out who had earned feathers since the last meeting.

- Running Reindeer earned feathers when she and Gray Fox prepared dinner for Mom.
- Little Bird showed us the beautiful bird house that she and Early Bird made and promised to tell the tribe about what birds used it this coming spring.
- Purring Cat then showed the tribe some of her collection of rocks and told us what each one was and where it came from.
- Finally, feathers were earned by Gray Bunny for preparing dinner for Mom with Injun' Mo. Mrs. Mo'-Rabbit wrote a very creative letter to the tribe describing the great meal that she had.

Congratulations to each princess for their new feathers!

Barking Dog read the Tallykeeper's report from the last meeting before our group activities started.

### **Meeting Activities:**

- |       |  |
|-------|--|
| Song  | The meeting's fun began when Crafty Kitten and Hunting Dog led the tribe singing Skip to My Lou with flies, cows and a little red wagon.   |
| Trick | Then Gray Bunny and Injun Mo did some tricks for us. Gray Bunny surprised us all when she made a pepper shaker and a quarter go right through the kitchen table. Then Injun Mo proved he had a hole in his head when he pushed a penny through and it came out of his mouth. Great tricks! |
| Craft | None   |
| Story | None   |
| Craft | Instead of a craft at this meeting, Gray Wolf and Little Cub prepared a game a charades for the tribe. There were easy ones and there were hard ones, but all of the princesses had a great time. We all got two turns presenting and everyone was excited trying to guess the answers.    |
| Snack | The princesses enjoyed a snack while the big braves discussed tribal business.   |

Big Braves    The braves made plans for the upcoming Polar Bear  
Discussions    Swim. We also talked more about our totem pole and  
                         how we could all make our parts look the best.

**Closing:**

At the end of the meeting, all of the Flying Angels stood in a circle and said our closing prayer and repeated it with our traditional silent version.

The Flying Angels then bounded off into the night. We will meet again in the teepee of Gray Bunny and Injun Mo on March 1<sup>st</sup>.
